Greetings:

At the meeting of the Council held June 22, 1954, the Planning Committee submitted the following report:

"Under File No. 60076 the Coordinating Board recommended that the Council initiate proceedings under Section 35203 of the Government Code, to annex that portion of Peck Park within the County of Los Angeles, described as Tract 2074, 0.82 acres, bounded on the east by the west boundary of the City of Los Angeles, on the west by Western Avenue, and on the south by the northerly line of Summerland Avenue, which would effect a more discernable boundary, consolidate City-owned properties within the limits of the City of Los Angeles, thereby avoiding jurisdictional dispute, and relieve the City of paying taxes on the subject parcel of land, which is uninhabited.

"We RECOMMEND that the accompanying resolution petitioning the County Board of Supervisors, pursuant to the provisions of Section 35203 of the Government Code, to approve the annexation to the City of Los Angeles of said property which is owned by the City, is contiguous thereto, and is not a part of any other city, be adopted, and that the City Clerk be instructed to file a certified copy thereof with said Board of Supervisors. Said annexation will be known as "Rolling Hills Addition No. 4" to the City of Los Angeles."

On motion duly made and carried, said report was adopted by the Council.
